AT Findings and Recommendations

- ⇒ The overall score of the program is **86.92 %**.
- ⇒ The AT was of the view that the academic quality of the program is **satisfactory**.

AT Findings and Recommendations

The key findings and recommendations made by AT are as follows:

1. The program objectives, learning outcomes and their mapping needs to be revised through proper mechanism.
2. PLOs & PEOs are to be revised by industry academia board and recommended further by FBOS.
3. The record of revision/review of scheme of studies should be added.
4. Faculty is over loaded academic, administrative and research load combined call for hiring of more faculty members.
5. Faculty satisfaction/motivation survey should be added.
6. Computers in lab need to be upgraded for installation of latest required software's.

Submitted to Rector NTU for kind information and record, please.
