## Institutional Performance Evaluation Report 2023

Sr. No.	Standard	Observation
1.	Standard-2	Flow charts explaining the formal system of planning and evaluation are not updated
2.	Standard-2	Minutes of BOG, EC and FPC meetings are missing
3.	Standard-2	Minutes of Meetings of Advance studies and research Board are missing
4.	Standard-2	UPR is not clear about the Life Cycle Management Plan for the University infrastructure. Who was involved in putting it together? Who approved it? How often is it updated?
5.	Standard-3	The use of emergency power must get explained from the registrar office and updated in UPR.
6.	Standard-4	The publication, Authorship & collaborative research policy should be revised and get approved by statutory bodies.
7.	Standard-4	The Conflict of Interest policy should be approved through statutory bodies in consultation with the Legal team.
8.	Standard-4	Turnitin report for last three years is missing
9.	Standard-5	The recent reports of classroom monitoring should be added
10.	Standard-5	The exit interview mechanism should be implemented in true letter and spirit.
11.	Standard-5	The faculty satisfaction survey should be conducted immediately. Its frequency should be defined and followed in the future.
12.	Standard-6	The student handbook should be revised to include all relevant policies, including harassment policies, etc.
13.	Standard-7	SOPs for general public feedback are approved and a web-link is mentioned in the report to public feedback. The link is not working.
14.	Standard-8	Communication strategy for dissemination of rules is approved

		and provided in standard table, but it is not mention that where someone can find these rules.
15.	Standard-9	Summaries/results of Alumni Surveys, graduating student surveys and employers surveys where missing
16.	Standard-10	There should be a full-time Dean/Director in QEC office as per approved sanctioned position.
