Notification

Agenda Item # 7 Procedure to Determine Equivalency for PhD Admissions

Advanced Studies & Research Board of NTU in its 27th meeting held on April 4, 2019 (Friday) unanimously approved that to determine the equivalency of an applicant for admission to a PhD program, following procedure will be adopted:

1. Applicant will be provisionally allowed to apply for a PhD program. However, prior to apply and submission of application processing fee, an applicant may get his/her application reviewed by concerned Director, Graduate Programs through HoD.
2. On qualifying NTU-GAT (Subject) test, PhD Admission Committee will check and decide his/her suitability for admission to relevant program.
3. PhD Admission Committee may ask the applicant to qualify deficiency course/s prior to confirmation of his/her admission in relevant PhD program.

All may please note for information and record.

Dr. Zulfiqar Ali

Director Graduate Studies & Research
