- Student must be in his/her 5th semester of study with exemplary previous academic record.
- Students should have exemplary conduct record and must be free from any restriction / ban the university disciplinary committee for availing scholarship schemes.
- Student should not be receiving any other scholarship from other funding agencies.
- A student who is already receiving a scholarship / stipend / financial assistance / salary etc. from any source (s) will not be eligible for scholarship (excluding NTU Merit Scholarship).
- Employees/Contractors/Suppliers of NTU & Interloop Limited and their Relatives will not be eligible for this scholarship grant.

How To Apply?

Every year Office of DEAN SET will advertise INTERLOOP SCHOLAR AWARD (provided by funding agency) on University's website / notice boards. Potential and willing candidates having CGPA ≥ 3.0 are eligible to submit applications to the office of Mr. Hassan Iftekhhar Ahmed (Coordinator), Lecturer Textile Engineering Department, SET. One (01) Scholarship Grant every year will be awarded to the student after getting approval from funding agency.

Required Documents

The nomination must include the original of each of the following:

- Application Form (Link)
- Resume (consisting existing project and contributions)
- Letter of Motivation
- Financial Statement
- Research proposal (Containing introduction of subject, literature review, research gap, objectives, material and methods, outcome and timeline)
- Acceptance Letter / Email from a Turkish University
- Interim Transcript
- Visit Plan

Selection Procedure

1. Student will be responsible for taking acceptance letter from the Turkish university and submit application to office of Dean FET.
2. NTU will scrutinize applications and shortlist candidates based on merit and interview will be conducted of the selected candidates.
3. NTU will forward three names on merit to Interloop Ltd. Interloop Ltd will finally select one student from the suggested three names for award of scholarship and share the name with NTU.
